

VT Writer Email Server

Improve your team's writing:
Submit your PDF or Word Doc for Readability & Grammar review

1. Send your document

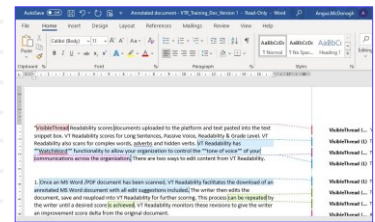

User submits a PDF or Word document via email (as an attachment) to a dedicated email address

2. Get your analysis

An immediate email is sent to the user with the following top line metrics; Long Sentences, Passive Voice, Readability & Grade Level

3. Get Assistance

An annotated MS Word and MS Excel document with guidance is returned to the user

A MS Excel document is returned if you sent a PDF

There's nothing to download, no username or password!

Available in private cloud and on-premise.
