# Fast-track your business with accelerated underwriting

Our new program is designed to give your clients a better underwriting experience, get your business issued more quickly, and pay your commissions faster.

## Personal History Interview scheduling tips:

The PHI can be scheduled by the financial professional or client.

The sooner the PHI is complete, the faster your client may receive an accelerated underwriting offer.

## It's easier for your clients and for you.

- You now have the ability to schedule the Personal History Interview (PHI).
- There are fewer underwriting requirements – no paramed exam, labs/fluids, or Attending Physician's Statements (APS) – so the process is more streamlined for your clients.
- The underwriting offer can be made much more quickly than the full underwriting process, so your business is issued faster.
