REASON, JUSTIFICATION FOR AND/OR BENEFIT OF CHANGE**

This proposal cleans up some issues that have come to light regarding General Interrogatories, Part 2, Question 17 reference to old Schedule F, Part 5, fixes some formulas and descriptions for a few columns on the blank for Schedule F, Part 3 and adds crosschecks to clarify what categories are included in certain total lines.

Other Comments:

** This section must be completed on all forms.

Revised 6/13/2009

IDENTIFICATION OF ITEM(S) TO CHANGE

The proposed Schedule F, Part 3 revisions are as follows:

1. Modifies the category line descriptions and adds crosschecks for Lines 1499999, 2899999, 4299999, 4399999, 4499999, and 9999999. This clarifies the subtotal calculations for protected cells and authorization categories.
2. Replaces old references to “Part 5” with updated “Part 3” references throughout.
3. Revises the calculation references in the headings for Columns 60, 66, and 74. These revisions clarify that reinsurance payables are not included in the collateral available to offset the net recoverable, and clarify that overdue amounts from authorized reinsurers are multiplied by 20%.
4. Revises the calculation references for Columns 72 and 73 to clarify certain calculations related to amounts in dispute.

The proposed changes related to Special Code “4” and General Interrogatories, Part 2 Question 17 amounts are as follows:

1. Adds a new Code “4” for pre 1984 amounts recoverable from unauthorized reinsurance described in general interrogatory 17. to the instructions for Column 5 and clarifies the use of codes in combination.
2. Revises the calculation references in the headings for Columns 25 and 26 and moves them to the instructions to allow for the automation of the Special Code “4” exemption (described in General interrogatory 17.1). Reviews of annual statement filings indicated reporting entities that still have business subject to this exclusion
3. Eliminates 17.18 through 17.24 of General Interrogatories, Part 2; which are no longer being used Reviews of annual statement filings indicated this exception is not being applied by any filer.

Other

The proposal modifies the Life Schedule F Part 2 in the Worker’s Compensation Carve-Out Supplement to include the crosschecks for Lines 1499999, 2899999, 4299999, 4399999, 4499999, and 9999999 added to the Property Schedule F, Part 3 for consistency.

Special Code “2” – Reinsurance Contracts Ceding 75% or More Direct Premiums Written

Each individual contract, except those listed below, which provides for the cession of 75% or more of direct premiums written under such cession during the year, should be identified by inserting a 2 in this column. The reinsurance transactions so identified shall include both treaty and facultative cessions of direct business written by the company.

Exclude: Intercompany reinsurance transactions with affiliates.

Reinsurance transactions involving any group, association, pool, or organization of insurers that engage in joint underwriting activities and which are subject to examination by any state regulatory authority or which operate pursuant to any state or federal statutory or administrative authorization.

Any reinsurance transaction in which the annual gross premium ceded is less than 5% of policyholder surplus.

Reinsurance transactions involving captive insurance companies.

Special Code “3” – Counterparty Reporting Exception for Asbestos and Pollution Contracts Under SSAP No. 62R—*Property Casualty Reinsurance*.

Each individual reinsurance contract meeting the counterparty reporting exception for asbestos and pollution contracts under SSAP No. 62R, paragraphs 66-68, should be identified by inserting a 3 in this column. This code should be inserted on the line for which the counterparty under the qualifying retroactive contract is reported. See SSAP No. 62R, paragraphs 66-68 for additional information and illustration.

Note If a reporting entity is approved for this exception, pursuant to SSAP No. 62R, the Supplemental Schedule for Reinsurance Counterparty Reporting Exception – Asbestos and Pollution Contracts must be completed in order to continue to detail the reporting of original reinsurers that are aggregated for one line reporting.

Special Code “4” – Incurred but not Reported Losses on Contracts in Force Prior to July 1, 1984 that are Exempt from the Statutory Provision for Unauthorized Reinsurance

Each individual contract that is exempt from the statutory provision for unauthorized reinsurance should be identified by inserting a 4 in this column.

Note If the reporting entity reports any reinsurers with a code of 4, the reporting entity should provide answers to Question 17 of the General Interrogatories Part 2.

Special Code 4 can only be used for transactions reported in the Unauthorized Category Line Numbers.

Special Code “2” could be used in combination with “3” and “4”. When used in combination with “3” and “4”, “2” should come first (i.e., “23” and “24”).

Disclosure should be based on the aggregation of reinsurance by contract types for each reinsurer. Contracts not subject to special codes may be aggregated by category and by reinsurer and as provided in the instructions for parts 1 and 3. For example, all code 2 contracts should be listed separately but should be grouped together, etc. It is possible that a reinsurer may be listed more than once on a particular section of Schedule F.

**SUPPLEMENTAL SCHEDULE FOR REINSURANCE COUNTERPARTY REPORTING EXCEPTION –
ASBESTOS AND POLLUTION CONTRACTS**

**DETAIL OF ORIGINAL REINSURERS AGGREGATED ON SCHEDULE F
AS OF DECEMBER 31, CURRENT YEAR**

Upon approval by the reporting entity's domestic state insurance department, aggregation of individual reinsurers may also be allowed pursuant to the Counterparty Reporting Exception for Asbestos and Pollution Contracts under *SSAP No. 62R—Property Casualty Reinsurance*, paragraphs 66-68. Under this exception, a reporting entity may aggregate reinsurers into one line in Schedule F reflecting the retroactive counterparty under the retroactive agreement for the purposes of determining the Provision for Reinsurance regarding overdue amounts paid by the retroactive counterparty (both authorized and unauthorized). This exception would allow the Provision for Reinsurance to be reduced by reflecting that amounts have been recovered by the reporting entity under the duplicate coverage provided by the retroactive contract, and that inuring balances from the original contract(s) are payable to the retroactive counterparty. In addition, such approval would also permit the substitution of the retroactive counterparty for authorized original reinsurers without overdue balances for purposes of reporting on the primary section of the annual statement Schedule F. If a reporting entity is approved for this exception, pursuant to SSAP No. 62R, the Supplemental Schedule for Reinsurance Counterparty Reporting Exception – Asbestos and Pollution Contracts must be completed in order to continue to detail the reporting of original reinsurers that are aggregated for one line reporting. This reporting decreases the provision of reinsurance liability for overdue on paid amounts related to a qualifying asbestos and pollution reinsurance contract.

With the approval of the reporting entity's domestic state commissioner pursuant to the applicable state credit for reinsurance law regarding the use of other forms of collateral acceptable to the commissioner, the reporting entity shall present the amount of other approved security related to the retroactive reinsurance agreement as an "Other Allowed Offset Item" with respect to the uncollateralized amounts recoverable from unauthorized reinsurers for paid and unpaid losses and loss adjustment expenses under the original reinsurance contracts. Amounts approved as "Other Allowed Offset Items" shall be reflected as amounts recoverable from the retroactive counterparty and aggregated reporting described in paragraph 66 shall also be applied for unpaid losses and loss adjustment expenses under the original reinsurance contracts. The security applied as an "Other Allowed Offset Item" shall also be reflected in the designated sub-schedule. Such a prescribed or permitted variation from Appendix A-785 in the *Accounting Practices and Procedures Manual* would be disclosed in Annual Statement Note 1. In addition, Note 1 shall disclose as part of the total impact on the provision for reinsurance the impact on the overdue aspects of the calculation if the reporting entity also receives commissioner approval pursuant to paragraph 66 related to overdue paid amounts (both authorized and unauthorized). Reporting in Schedule F, Part 3 part 5 will be subject to the authorized status of the retroactive counterparty, but full reporting of each entity's status is required in the sub schedule.

If a reporting entity has amounts reported for any of the following required groups, categories or subcategories, it shall report the subtotal amount of the corresponding group, category or subcategory, with the specified subtotal line number appearing in the same manner and location as the pre-printed total or grand total line and number:
